Nazi Book Burning Hitler's Holocaust - The Final Toll The Destruction Of European Jews
The Destruction of the European Jews is a 1961 book by historian Raul Hilberg. Hilberg revised his work in 1985, and it appeared in a new three-volume edition. It is largely held to be the first comprehensive historical study of the Holocaust. According to Holocaust historian, Michael R. Marrus, until the book appeared, little information about the genocide of the Jews by Nazi Germany had "reached the wider public" in both the West and the East, and even in pertinent scholarly studies it was "se

How was such a crime conceived, implemented and carried out, first in Germany and then across Europe. The Final Solution is inexplicable unless one takes into account the participation of all of the regime's sectors, its entire social structure. For the destruction of Europe's Jews was not the work of a little group of hardened criminals.
