I didn't really care for this particular story as much as the other stories in the Shade of a Vampire series. I thought this one was a little boring in some parts and kind of dragged on. I like how the author is creative in her writing but the fact that she keeps adding on all these new supernatural characters is getting a bit extreme and hard to keep track of.

3 Separation during the majority of the book stars A Shadow of Light is the forth book in the A Shade of Vampire series. I will have to say, this was not my favorite book in the series. Yet again, Derek and Sofia separate and this time, it's much longer than last time.

Never gets old You would think by book 18 that one would grow tired of The Shade. Well that is not the case I love how Bella introduced a new character and I thought I wouldn't hear about Rose and Caleb anymore well that wasn't the case at all. Derek, Sofia, Rose, Caleb, Ben, and now River it's all to much I can't wait to return to the shade.
