### Above The Fold Above The

Above the fold is the upper half of the front page of a newspaper or tabloid where an important news story or photograph is often located. Papers are often displayed to customers folded so that only the top half of the front page is visible. Thus, an item that is "above the fold" may be one that the editors feel will entice people to buy the paper. Alternatively, it reflects a decision, on the part of the editors, that the article is one of the day's most important. By extension, the space above

---

### Above the fold - Wikipedia

In the early days of publishing, "above the fold" was a term used for content that appeared on the top half of the front page of a newspaper. When newspapers were displayed on a newsstand, the headlines and lead stories that appeared above the fold were the most visible, and catchy headlines and vivid imagery were commonly used to attract readers' attention, convincing them to buy the paper.

### ABOVE THE FOLD | meaning in the Cambridge English Dictionary

above the fold. Above the fold, as it applies to Web design, is the portion of a Web page that is visible in a browser window when the page first loads. The portion of the page that requires scrolling in order to see content is called "below the fold."

---

What is above the fold? - Definition from WhatIs.com

What Is Above The Fold? The concept of above the fold goes back centuries, to the beginnings of the printing press. Newspapers, due to the way they were printed on large sheets of paper, were folded once they hit the news-stands. This led to only the top half of the paper is visible to the passer-by.

What is "Above The Fold"? February 12, 2020. Read more. About me. Wife, mum and dog owner who loves long walks, playing netball and pretending to diet. Always the opportunist, I have sang "Gold" to Tony Hadley, BBQ'd with the cast of Emmerdale and danced on stage with Michael Jackson.

---

Above the Fold

Above the fold is an important principle in web design. It describes the part of a website that can be seen directly under the page's call to action. Even though most studies now assume that users (to a certain extent) are used to scrolling, many marketers are convinced that important content still belongs at the top.
