We meet Serenity in Talli Roland's Build a Man while she is behind the receptionist desk at Transforma Harley Street clinic. It's very obvious to the reader how she feels about the clients and her over-riding ambition to make it big in the tabloid scene. Boss and partner Peter is a man ruled by routine.

Build A Man (Serenity Holland, #1) by Talli Roland

BUILD A MAN is from author Talli Roland. Serenity Holland works as a receptionist at a plastic surgeon's clinic and hates her job. She also loathes all the Botox receiving patients who look down on her. Her dream job, for which she left US and came to London is to become a reporter for a large tabloid. But this job is not easy to come by.

Slave to the rich and the rude, cosmetic surgery receptionist Serenity Holland longs for the day she's a high-flying tabloid reporter. When she meets Jeremy Ritchie -- the hang-dog man determined to be Britain's Most Eligible Bachelor by making himself over from head to toe and everything in between -- Serenity knows she's got a story no editor could resist. With London's biggest tabloid on board and her very own column tracking Jeremy's progress from dud to dude, Serenity is determined to be a success. But when Jeremy's surgery goes drastically wrong and she's ordered to cover all the car-crash goriness, Serenity must decide how far she really will go for her dream job.

This voluminous work on Church History by Philip Schaff (1819-1893) was originally published between 1858 and 1893 in eight volumes in the USA and covers the period from the beginnings of Biblical Christianity in A.D. 1 to the History of the Reformation in Germany and Switzerland (1517-1648). Being still a popular text in North America, this work had been out of print for over a century and has now been carefully edited and reformatted for republication in four volumes, each of them containing the text of two volumes of the original edition. Schaff's work, unlike other works in the field, covers a multitude of church history-related aspects

- from church doctrine, policy, events and processes to aspects of social moral and family life, arts and more. This is the fourth and final volume in this series and is a special edition covering the period of the Reformation from 1517-1648 that ends with the Peace Treaty concluded 1648 in Münster, Westphalia, following the long period of the Thirty-Year War.

A die-hard New Yorker, Vivianne escaped her mother's clutches and moved clear across the country to find her little bit of heaven in Washington State. She is a savvy, smart -- and smart-mouthed -- real estate professional working in Havenville when she meets Venice, also from New York, and also looking to reinvent herself. Together they make a killer transaction in more ways than one. Real Estate, Murder, and Mayhem is Book One of the Vivianne Murphy Mystery series; you will laugh out loud and be on the edge of your seat as the escapades of Vivianne and Venice unfold.

Five hundred years in the future, Captain Mal Reynolds and his crew aboard the Serenity get more than they bargained for when they take on two passengers who are fugitives from an omnipotent consortium that dominates the galaxy.

Old Maxie Montfalcon of Serenity House, North London's Premier Eventide Refuge' might have been left to die in peace, but his son-in-law, an MP with a special interest in the new War Crimes Bill, had other ideas.

For twenty-five-year-old Willow Watts, life has settled into a predictably dull routine: days behind the counter at her father's antique shop; nights watching fuzzy telly whilst the elderly residents of Britain's Ugliest Village bed down for yet another early night. But everything changes when Willow's epically embarrassing Marilyn Monroe impersonation is uploaded to YouTube. A canny viewer spots Marilyn's ghostly image hidden in the film and Willow becomes an international sensation. Her dire little town is suddenly overrun with fans proclaiming her to be the 'new Marilyn'. Egged on by the villagers - whose shops and businesses are cashing in -- Willow eagerly embraces her new identity, dying her hair platinum and scoffing cakes to achieve Marilyn's legendary curves. But when the only man she has ever truly loved returns, seeking the old Willow, it's decision time. Should she risk stardom and the village's new-found fortune on love? Or is being Marilyn Willow's real ticket to happiness?

Golden keys to making practical choices from the inside out that can guide the real you to creating and manifesting all aspects of your life!

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the

cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Brave orphan Mina dreams of becoming a great scientist, even though she's just a beginner. But when her parents' killer escapes from prison and threatens to kill again, she must make the terrifying leap from apprentice to master sooner than planned—if she wants to survive. Book 1 of *The Naturalist* combines historical fantasy with thrilling adventure and a touch of Renaissance romance.
