ethics and law in dental hygiene

The dental hygiene profession is taught a code of ethics. Hopefully, we all follow it to the best of our ability. The profession's code of ethics is based on a preamble that states that we are "devoted to the prevention of disease and the promotion and improvement of the public's health." It encourages us to live meaningful and productive lives. The code can be satisfying in our professional life, as well as our private lives and in our communities.

Your Ethical Standards | Registered Dental Hygienist (RDH ...

Specific objectives of the Dental Hygiene Code of Ethics are: "to increase our professional and ethical consciousness and sense of ethical responsibility. "to lead us to recognize ethical issues and choices and to guide us in making more informed ethical decisions. "to establish a standard for professional judgment and conduct. "to provide a statement of the ethical behavior the public can expect from us.

Dental hygienists and dental assistants need to be aware of current accepted legal processes related to such issues as infection control, insurance, malpractice, liability, and negligence. **LEGAL AND ETHICAL CONSIDERATIONS FOR DENTAL HYGIENISTS AND ASSISTANTS** provides them with strong theoretical and philosophical information concerning the legal, ethical, and management dilemmas that face the entire dental health team. Real-life examples with expert commentary and follow-up questions illustrate legal situations the dental hygienist or assistant may face. a consistent format for the most effective learning. Contains a case study at the beginning of each section to draw the student into a real-life situation that the hygienist or assistant could be faced with. Provides case study questions to stimulate students interest and promote greater discussion and understanding of difficult concepts. Includes a series of responses from experts in the field, providing a look at the cases through the eyes of professionals. Provides immediate clarification of vital legal terminology with Glossary terms and their definitions in the margins. Features author response to the case study, and answers to case study questions at the end of each section, so students can review vital information from the chapters and be sure theyve applied the information correctly to the case study questions. Includes key words at the beginning of each chapter, so students can familiarize themselves with important legal terminology. Contains learning objectives at the beginning of each chapter to highlight important concepts the students need to comprehend. Provides a comprehensive glossary for students learning vital legal terminology.

This is a Pageburst digital textbook; Learn how to make sound ethical and legal decisions in practice with **ETHICS AND LAW IN DENTAL HYGIENE**, Second Edition. This book is written

Where To Download Dental Hygiene Law And Ethics Exam

in the context of "real-world" situations that you will encounter on a regular basis in dental hygiene practice. The book is divided into three sections: ethics, law, and simulations and applications. The latter section contains 25 case studies with accompanying discussion and thought questions, along with testlets that mirror the style of the newly revised National Board Dental Hygiene Examination (NBDHE) and suggested activities. Appendixes include the recently revised American Dental Association (ADA) and American Dental Hygiene Association (ADHA) respective codes of ethics, making this the most up-to-date ethics book for dental hygiene currently on the market. With this expert guidance, you'll be prepared to take the NBDHE and address ethical dilemmas in everyday practice. Real-world relevance of concepts helps you apply knowledge to everyday situations. Contributors are renowned leaders in dental hygiene education. Learning Outcomes and Key Terms at the beginning of each chapter provide a detailed list of the concepts to master. A new chapter, "Social Responsibility and Justice," covers timely issues such as access to care and disparities in oral health care. More case studies - 25 total - cover a wide range of situations. The latest information on HIPAA policies is discussed, and the newly revised ADA and ADHA codes of ethics are printed in their entirety.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. ETHICS, JURISPRUDENCE AND PRACTICE MANAGEMENT IN DENTAL HYGIENE, 3/e is the definitive, up-to-date guide to ethics, jurisprudence, and practice management for all dental hygiene students, new graduates, and licensed practitioners. The authors first introduce codes

Offering the most realistic NBDHE review and practice available, Mosby's Review Questions

Where To Download Dental Hygiene Law And Ethics Exam

for the National Board Dental Hygiene Examination includes both a print book and companion website to prepare you for exam success. In the book, you will review with more than 1,250 Component A practice questions – with each answer including a rationale for both correct and incorrect answer options. Online, you can review the same questions plus an additional 420 case-based items related to Component B in 1) practice mode or 2) timed, exam-simulation mode with randomized tests that match the number and distribution of questions on the NBDHE. From a team of dental hygiene experts including lead editor Barbara Bennett, this Q&A resource is an excellent supplement to any NBDHE content review book! More than 1,680 multiple-choice questions provide comprehensive practice spanning the entire NBDHE, with 1,250+ items relating to Component A – more than six times the number of questions on the actual exam! – and 420 case-based questions related to Component B. Rationales accompany each question, fully explaining why each answer choice is either correct or incorrect and thus serving as secondary content review. Distribution of questions matches each category on the NBDHE test specifications, ensuring that you have adequate practice for each content area. An Evolve companion website includes all 1,250+ questions from the book plus additional case studies with color images and accompanying questions, available either in practice mode with instant feedback or in exam-simulation format with results and feedback provided at the end of the exam. A test creator and timer on Evolve generates NBDHE-style tests that mimic the number and distribution of questions on the NBDHE and also provides realistic practice with time management during the exam. 16 detailed case studies on Evolve, each of which includes a patient medical/dental history, completed periodontal chart, oral radiographs, clinical photographs, and 20-35 multiple-choice questions for patients in the five
