André Lepecki's *Exhausting Dance: Performance and the politics of movement* is a must read for the serious student of the contemporary dance/performance scene. Lepecki carefully analyzes the works of numerous choreographers and performance artists in the United States and Europe over the last 30 years, and their contributions to our understandings of the politics of movement.

COPY. The only scholarly book in English dedicated to recent European contemporary dance, *Exhausting Dance: Performance and the Politics of Movement* examines the work of key contemporary choreographers who have transformed the dance scene since the early 1990s in Europe and the US. Through their vivid and explicit dialogue with performance art, visual arts and critical theory from the past thirty years, this new generation of choreographers challenge our understanding of dance by exhausting ...
