Fender Stage 185 Footswitch not  
working correctly - Music ...

At Harmony Central the old Stage 185 is one of the highest rated Fender amps which doesn't surprise me. I owned one for 6 years and it suited especially my strat perfectly. The 185 amps produce a lush, roomy and warm sound that is very different from say the smaller Deluxe 112 plus that I play in my study.

Is my Fender Pro 185 in serious trouble?

Tone: it's the concept that gear-obsessed guitarists discuss more than any other, and the Tone Manual is the first book to take this hallowed concept seriously. In the course of breaking down the

# Read Online Fender Stage 185 Manual

individual components of the electric guitar rig, the book both examines the ingredients in any given piece of equipment that contribute to superior or inferior sound, and offers tips on improving and making the most of the gear you've already got - all with reference to interviews with name artists and manufacturers. In addition, the Tone Manual discusses the evolution of the guitarist's concept of "good tone." It provides an extensive guide to recorded examples of playing generally considered "tonally superior," citing examples from the early days of electric jazz, blues, country, and rock and roll; from the classic rock, blues rock, and heavy rock heyday of the late 1960s and early '70s; and from

# Read Online Fender Stage 185 Manual

myriad contemporary artists. Throughout the Tone Manual, a series of more than 30 Tone Tips will offer quick, digestible, practical info bites to help readers improve their sound and better understand their equipment. The Tone Manual also includes helpful diagrams and a cover-mounted CD.

THE TUBE AMP BOOK WITH

ADDED.

(Book). From the same "dream team" that created The Fender Stratocaster Chronicles ( Vintage Guitar magazine's 2004 Book of the Year) comes this new publication covering the other side

## Read Online Fender Stage 185 Manual

of Fender's legacy, the instrument amplifier. Revered as much as one's guitar, the Fender amplifier gets its due in this full-color, richly illustrated book. Features over 400 images, including legendary guitarists such as Eric Clapton, B.B. King, Neil Young, Pete Townshend, Stevie Ray Vaughan, Muddy Waters, and Dick Dale, and over 120 audio tracks that make terms and topics come alive.

Entries for each vehicle include such information as a history of changes to a model, where the
