"An Italian ROOTS." —The Washington Post Book World At long last, Gay Talese, one of America's greatest living authors, employs his prodigious storytelling gifts to tell the saga of his own family's emigration to America from Italy in the years preceding World War II. Ultimately it is the story of all immigrant families and the hope and sacrifice that took them from the familiarity of the old world into the mysteries and challenges of the new.

No one can tell the true story of the Mafia in America better than Bill Bonanno. He was there. He lived it. Bill Bonanno was born into a world of respect, tradition, and honor. The son of legendary mafioso Joe Bonanno, Bill was a "made" member of the Mafia by the time he was in his early twenties. He was rumored to be the model for The Godfather's Michael Corleone and was the subject of Gay Talese's best-selling *Honor Thy Father*. Now retired, Bill is finally ready to give an eyewitness account of his life as a high-ranking captain in the Bonanno crime family, one of America's most powerful Mafia syndicates. He takes you inside the mob at its peak, when New York's Five Families—Bonanno, Gambino, Colombo, Lucchese, and Genovese—not only dominated local businesses, but also controlled national politics. For the first time, Bill Bonanno discloses the machinations behind his marriage to Rosalie Profaci (niece of the powerful don Joe Profaci), and even that cemented the alliance between the two Families with all the pomp and circumstance of a royal wedding. From the truth about the mysterious disappearance of his father to a startling disclosure about the mob's participation in the Kennedy assassination, Bill Bonanno lays bare the inner workings of his chaotic, violent, and surprisingly human world with unparalleled detail and insight. *Bound By Honor* not only recounts Bill Bonanno's tumultuous life, but also is an engrossing chronicle of organized crime. Bonanno's story provides a remarkable glimpse into all of the intriguing personalities of the underworld of yesterday to today, from Bugsy Siegel to John Gotti. This book is a must for readers of Mario Puzo, Gay Talese, Nicholas Pileggi, and others who have written about the Mafia, but who have never been in the eye of the storm in quite the same way as Bill Bonanno in *Bound By Honor*.

The provocative classic work newly updated *An Intimate Personal Odyssey Across America's Changing Sexual Landscape* When first published, Gay Talese's 1981 groundbreaking work, *Thy Neighbor's Wife*, shocked a nation with its powerful, eye-opening revelations about the sexual activities and proclivities of the American public in the era before AIDS. A marvel of journalistic courage and craft, the book opened a window into a new world built on a new moral foundation, carrying the reader on a remarkable journey from the Playboy Mansion to the Supreme Court, to the backyards and bedrooms of suburbia—through the development of the porn industry, the rise of the "swinger" culture, the legal fight to define obscenity, and the daily sex lives of "ordinary" people. It is the book that forever changed the way Americans look at themselves and one another.

The inner workings of a writer's life, the interplay between experience and writing, are brilliantly recounted by a master of the art. Gay Talese now focuses on his own life—the zeal for the truth, the narrative edge, the sometimes startling precision, that won accolades for his journalism and best-sellerdom and acclaim for his revelatory books about *The New York Times* (*The Kingdom and the Power*), the Mafia (*Honor Thy Father*), the sex industry (*Thy Neighbor's Wife*), and, focusing on his own family, the American immigrant experience (*Unto the Sons*). How has Talese found his subjects? What has stimulated, blocked, or inspired his writing? Here are his amateur beginnings on his college newspaper; his professional climb at *The New York Times*; his desire to write on a larger canvas, which led him to magazine writing at *Esquire* and then to books. We see his involvement with issues of race from his student days in the Deep South to a recent interracial wedding in Selma, Alabama, where he once covered the fierce struggle for civil rights. Here are his reflections on the changing American sexual mores he has written about over the last fifty years, and a striking look at the lives—and their meaning—of Lorena and John Bobbitt. He takes us behind the scenes of his legendary profile of Frank Sinatra, his writings about Joe DiMaggio and heavyweight champion Floyd Patterson, and his interview with the head of a Mafia family. But he is at his most poignant in talking about the ordinary men and women whose

stories led to his most memorable work. In remarkable fashion, he traces the history of a single restaurant location in New York, creating an ethnic mosaic of one restaurateur after the other whose dreams were dashed while a successor's were born. And as he delves into the life of a young female Chinese soccer player, we see his consuming interest in the world in its latest manifestation. In these and other recollections and stories, Talese gives us a fascinating picture of both the serendipity and meticulousness involved in getting a story. He makes clear that every one of us represents a good one, if a writer has the curiosity to know it, the diligence to pursue it, and the desire to get it right. Candid, humorous, deeply impassioned—a dazzling book about the nature of writing in one man's life, and of writing itself.

The controversial chronicle of a motel owner who secretly studied the sex lives of his guests by the renowned journalist and author of *Thy Neighbor's Wife*. On January 7, 1980, in the run-up to the publication of his landmark bestseller *Thy Neighbor's Wife*, Gay Talese received an anonymous letter from a man in Colorado. "Since learning of your long-awaited study of coast-to-coast sex in America," the letter began, "I feel I have important information that I could contribute to its contents or to contents of a future book." The man—Gerald Foos—then divulged an astonishing secret: he had bought a motel outside Denver for the express purpose of satisfying his voyeuristic desires. Underneath its peaked roof, he had built an "observation platform" through which he could peer down on his unwitting guests. Over the years, Foos sent Talese hundreds of pages of notes on his guests, work that Foos believed made him a pioneering researcher into American society and sexuality. Through his *Voyeur's Motel*, he witnessed and recorded the harsh effects of the war in Vietnam, the upheaval in gender roles, the decline of segregation, and much more. In *The Voyeur's Motel*. "the reader observes Talese observing Foos observing his guests." An extraordinary work of narrative journalism, it is at once an examination of one unsettling man and a portrait of the secret life of the American heartland over the latter half of the twentieth century (Daily Mail, UK). "This is a weird book about weird people doing weird things, and I wouldn't have put it down if the house were on fire." —John Greenya, Washington Times

For the fiftieth anniversary of the completion of the Verrazano Narrows Bridge, a beautifully produced, heavily illustrated edition of Gay Talese's classic history of the iconic structure, now with a new introduction by the author. The Verrazano Narrows Bridge, linking the New York City boroughs of Brooklyn and Staten Island, is an engineering marvel. At 13,700 feet, it is the longest suspension bridge in the United States and the sixth longest in the world. But the sheer size of the bridge is only one part of its complicated, fascinating history. Renowned journalist Gay Talese chronicled the human drama the bridge's completion: from the construction workers high on the beams to the backroom dealing that displaced whole neighborhoods to make way for the bridge, through to the opening of this marvel of human ingenuity and engineering. Now in a new, beautifully packaged edition featuring dozens of breathtaking photos and architectural drawings, *The Bridge* remains both a riveting narrative of politics and courage and a demonstration of Talese's consummate reporting and storytelling that will captivate new generations of readers.
