Imagine the freedom you would have that would allow you to do more of what you want when you want to.By following the guidelines outlined in this book you can do just that!Scroll up, click the buy now button, and start your path to early retirement today!

The definitive guide to financial independence at any age! Retiring early is not limited to lottery winners or the super rich. In fact, with proper planning, we can all retire at a younger age than we ever dreamed-but only with the right plan. Personal finance expert Deacon Hayes explains the practical, concrete steps you can take to start your retirement when you're young enough to thoroughly enjoy it, including: *Developing a personalized retirement plan *Maximizing income *Understanding opportunity cost *Assessing and reducing debt *Selecting the right investment vehicles *Sticking to the plan With Hayes's guidance, you can achieve financial independence and enjoy an active, happy, and long retirement.

"48% of American adults over age 55 don't have any retirement savings according to research from the U.S. Government Accountability Office". If you don't want to be one of them, then keep reading. Personal Finance isn't an easy argument to treat, especially when we pass to talk from short term money management to long term investments and accumulating money-saving. Nowadays, the frenetic life routine and the massive amount of activities to do, make many people think that these work rhythms are unsustainable for too long. So it's utterly understandable to start considering early retirement to get out of this "cage situation" and live better the remaining part of life. Be financially independent takes time because it regards changing vision and habits, creating a step by step path to achieve this huge goal. In the last years, the so-called FIRE Movement (Financial Independence, Retire Early) helped a lot of people to start thinking in this way, from older to younger people. A recent Bank of America survey reveals: "25 percent of millennial savers had amassed more than \$100,000, up from 16 percent in 2018". If they were able to save so much money in a short time, you could surely achieve your financial freedom! In this Bundle of 2 books ("Financial Independence" and "Retire Early") you will discover: The correct approach you should applicate right now to starting to save money Effective methods to create a good plan for your incomes The easiest way to cultivate wealthy habits that will bring you in the right path Crucial principles to increase and generate different sources of earnings The roadmap to an Early Retirement that will change your future life How to correctly set up your long-term investments The most potent factors you should know to incredibly increase your savings in a short time And much more! Sound complicated? Don't lose your courage! FIRE Movement is one of the many proves that you can start building an effective retirement plan, even if you literally have no money. Each step is illustrated with actual examples, giving you a set of tools that will change your vision. Scroll up, Get this book and Start Reading! It's time to take control of your future job-free life and stop stressing about your finances. Start by scrolling up and clicking the BUY NOW button at the top of this page!

A practical action guide for financial independence and early retirement from the popular Our Next Life blogger. In today's work culture, we're expected to hustle around the clock. But what if you could escape the traditional path and get on one that doesn't require working full-time until age 65? What if you could wake up every day without an alarm clock and do the things you love most? Tanja Hester and her husband Mark left their crazed careerist lifestyle to live their dream life in Lake Tahoe, retiring early from high-stress careers. Now Tanja will help you map out a customized plan for freedom and make it easy to succeed, whether you're good at math and budgeting -- or not! Work Optional is more than just a financial plan: it's a plan for your whole life -- designed by you, not by an employer or clients. Tanja walks you through envisioning your dream life, accounting for variables such as health care and children, protecting yourself from recessions and future unknowns, and achieving a purpose-filled early retirement, semi-retirement, or career intermission with completely doable, non-penny-pinching steps. You can live a happier, more meaningful life, free from the daily grind. Regardless of where you are in your career, Work Optional will get you there.

What if a happier life was only a few simple choices away? A successful entrepreneur living in Southern California, Scott Rieckens had built a "dream life": a happy marriage, a two-year-old daughter, a membership to a boat club, and a BMW in the driveway. But underneath the surface, Scott was creatively stifled, depressed, and overworked trying to help pay for his family's beach-town lifestyle. Then one day, Scott listened to a podcast interview that changed everything. Five months later, he had quit his job, convinced his family to leave their home, and cut their expenses in half. Follow Scott and his family as they devote everything to FIRE (financial independence retire early), a subculture obsessed with maximizing wealth and happiness. Filled with inspiring case studies and powerful advice, Playing with FIRE is one family's journey to acquire the one thing that money can't buy: a simpler - and happier - life. Based on the documentary
