Taxation is a term for when a taxing authority, usually a government, levies or imposes a tax. The term "taxation" applies to all types of involuntary levies, from income to capital gains to ...

Taxation Definition

Once the company applies to the Revenue Service, its application will be examined by the government in order to assess whether the company can obtain the 'international' status. Once successful, the international company will be able to enjoy reduced taxes on property, profit and income taxes will be reduced to 5% while dividends will be tax exempt.
