Reid is such a lovely guy in his own way, actually love the romantic guy that he is, I would love to pull him out the book and for him to shower me with the love and the surprises. Yes he can be stubborn when it comes to his Mother I just hope that book 2 goes into more detail on what is to come of that.

When she was home on maternity leave in early 2012, she read her first romance novel and her head filled with the passion, angst and laughter of the characters who she read about it. It wasn't long before characters of her own took shape in her mind. Their lives took over Melissa's brain and The Love Series was born.

I love the way she builds her stories and the way she approaches romances. Let Love Live is no different. It is a story of loss and of grief before being brave enough to try again. This story is m/m and I highly recommend it. Carey Heywood. Melissa worked me over and left me emotionally sated and an emotional wreck in the best way possible.
