This fun, pocket-sized and practical guide is jam-packed with helpful tips on how to remember those all-important medical facts crucial to exam success and invaluable throughout the medical career. New to this edition are 35 additional mnemonics, more information on prescribing, a section on the use of 'smart drugs' when studying, additional SWOT boxes and an improved interior layout with more colour for added clarity. The third edition remains an essential read for every medical student.

This fun, pocket-sized and practical guide is jam-packed with helpful tips on how to remember those all-important medical facts crucial to exam success and invaluable throughout the medical career. New to this edition are 35 additional mnemonics, more information on prescribing, a section on the use of 'smart drugs' when studying, additional SWOT boxes and an improved interior layout with more colour for added clarity. The third edition remains an essential read for every medical student.

Completely revised and updated, with a totally new look! The previous edition of this book is The Ultimate Medical Mnemonic Comic Book: Color Version (ISBN 978-1532726217) The Ultimate Medical Mnemonic Comic Book combines mnemonics, over 150 cartoons, bullet points, and humor to review and retain important medical information. Whether you're a medical student, physician, physician assistant, nurse, student, or other health care professional, you need to access a vast wealth of information quickly and accurately. From the finer points of human physiology to differential diagnoses, pharmacology, and complex medical procedures, you're expected to have the facts you need, when you need them. Memorizing and retaining so much information is a gargantuan task. Health care professors Dwayne A. Williams and Isaak. N. Yakubov are here to help with hundreds of health care‐related memory aids. While not intended to be a sole source of information, Williams and Yakubov's work offers a lighthearted but effective supplement to traditional textbooks. Clever mnemonics and funny wordplay stick in your head, while cartoons offer memory anchors for visual learners. The Ultimate Medical Mnemonic Comic Book adds entertainment and laughter to what would otherwise be a grueling test of memory. Whether you're still studying or just need a quick mental refresher, The Ultimate Medical Mnemonic Comic Book helps you learn and retain the knowledge you need to succeed in your chosen health care career.
