*Reflexivity in Language and Intercultural Education ...*

Reflexivity refers to the capacity for individuals to understand the cultural system and manage their own position within it.

Reflexivity is a key concept in the understanding of intercultural communication, particularly in recognising the ability for

# Access Free Reflexivity In Language And Intercultural Education Rethinking

individuals to understand and adapt to new cultural contexts.

*The role of reflexive thought in the achievement of ...*

Drawing on extensive scholarship and many years of teaching in UK higher education, Joan Turner turns our gaze towards the taken-for-granted assumptions about language in the academy, not least in the contemporary context of 'intercultural communication', and calls for greater reflexivity about the practices in which we- as scholars, teachers
