Sea of Poppies Quotes by Amitav Ghosh - Goodreads

The first in an epic trilogy, *Sea of Poppies* is "a remarkably rich saga... which has plenty of action and adventure à la Dumas, but moments also of Tolstoyan penetration—and a drop or two of Dickensian sentiment" (The Observer [London]). At the heart of this vibrant saga is a vast ship, the *Ibis*.

With *Sea of Poppies*, Amitav Ghosh proves it can also be a brilliant one. In a thoroughly enjoyable blend of historical fiction, comedy of manners, linguistic play, and socio-political underpinnings, the *Ibis* becomes its own sea-borne universe populated by travelers cut off from the past, trapped and set free all at once by total isolation.

diverse cast of Indians and Westerners, from a bankrupt raja to a widowed tribeswoman, from a mulatto American freedman to a freespirted French orphan. As their old family ties are washed away, they, like their historical counterparts, come to view themselves as jahaj-bhais, or ship-brothers. An unlikely dynasty is born, which will span continents, races, and generations. The vast sweep of this historical adventure spans the lush poppy fields of the Ganges, the rolling high seas, the exotic backstreets of Canton. But it is the panorama of characters, whose diaspora encapsulates the vexed colonial history of the East itself, that makes Sea of Poppies so breathtakingly alive—a masterpiece from one of the world's finest novelists.

Sea of Poppies is a stunningly vibrant and intensely human work that confirms Amitav Ghosh's reputation as a master storyteller. At the heart of this epic saga is a vast ship, the Ibis. Its destiny is a tumultuous voyage across the Indian Ocean to the Mauritius Islands. As to the people on board, they are a motley array of sailors and stowaways, coolies and convicts. In a time of colonial upheaval in the mid-nineteenth century, fate has thrown together a truly diverse cast of Indians and Westerners, from a bankrupt Raja to a widowed village-woman, from a mulatto American freedman to a free-spirited European

orphan. As they sail down the Hooghly and into the sea, their old family ties are washed away, and they view themselves as jahaj-bhais, or ship-brothers, who will build whole new lives for themselves in the remote islands where they are being taken. It is the beginning of an unlikely dynasty.

A motley array of sailors and stowaways, coolies and convicts is sailing down the Hooghly aboard the Ibis on its way to Mauritius. As they journey across the Indian Ocean old family ties are washed away, and they begin to view themselves as jahaj-bhais or ship brothers who will build new lives for themselves in the remote islands where they are being taken. A stunningly vibrant and intensely human work, *Sea of Poppies*, the first book in the Ibis trilogy, confirms Amitav Ghosh's reputation as a master storyteller.

The stunningly vibrant final novel in the bestselling Ibis Trilogy It is 1839 and China has embargoed the trade of opium, yet too much is at stake in the lucrative business and the British Foreign Secretary has ordered the colonial government in India to assemble an expeditionary force for an attack to reinstate the trade. Among those consigned is Kesri Singh, a soldier in the army of the East India Company. He makes his way eastward on the *Hind*, a transport ship that will carry him

from Bengal to Hong Kong. Along the way, many characters from the Ibis Trilogy come aboard, including Zachary Reid, a young American speculator in opium futures, and Shireen, the widow of an opium merchant whose mysterious death in China has compelled her to seek out his lost son. The Hind docks in Hong Kong just as war breaks out and opium "pours into the market like monsoon flood." From Bombay to Calcutta, from naval engagements to the decks of a hospital ship, among embezzlement, profiteering, and espionage, Amitav Ghosh charts a breathless course through the culminating moment of the British opium trade and vexed colonial history. With all the verve of the first two novels in the trilogy, Flood of Fire completes Ghosh's unprecedented reenvisioning of the nineteenth-century war on drugs. With remarkable historic vision and a vibrant cast of characters, Ghosh brings the Opium Wars to bear on the contemporary moment with the storytelling that has charmed readers around the world.

A Washington Post Notable Fiction Book for 2011 The Ibis, loaded to its gunwales with a cargo of indentured servants, is in the grip of a cyclone in the Bay of Bengal; among the dozens flailing for survival are Neel, the pampered raja who has been convicted of embezzlement; Paulette, the French orphan masquerading as a deck-hand; and Deeti, the widowed poppy grower fleeing her homeland with her lover, Kalua.

The storm also threatens the clipper ship *Anahita*, groaning with the largest consignment of opium ever to leave India for Canton. And the *Redruth*, a nursery ship, carries Frederick "Fitcher" Penrose, a horticulturist determined to track down the priceless treasures of China that are hidden in plain sight: its plants that have the power to heal, or beautify, or intoxicate. All will converge in Canton's Fanqui-town, or Foreign Enclave: a tumultuous world unto itself where civilizations clash and sometimes fuse. It is a powder keg awaiting a spark to ignite the Opium Wars. Spectacular coincidences, startling reversals of fortune, and tender love stories abound. But this is much more than an irresistible page-turner. The blind quest for money, the primacy of the drug trade, the concealment of base impulses behind the rhetoric of freedom: in *River of Smoke* the nineteenth and twenty-first centuries converge, and the result is a consuming historical novel with powerful contemporary resonance. Critics praised *Sea of Poppies* for its vibrant storytelling, antic humor, and rich narrative scope; now Amitav Ghosh continues the epic that has charmed and compelled readers all over the globe.

Opening in Calcutta in the 1960s, Amitav Ghosh's radiant second novel follows two families -- one English, one Bengali -- as their lives intertwine in tragic and comic ways. The narrator, Indian born and

Balaram, the local schoolmaster and phrenology enthusiast, sends Alu to apprentice as a weaver, and the boy soon surpasses the skill of his master. But when a tragic bombing leaves Alu suspected of terrorism, he flees across India to Bombay and the Arabian Sea, followed all the way by the dogged policeman—and avid ornithologist—Jyoti Das. From East Bengal to the Persian Gulf and North Africa, Amitav Ghosh's wild and extraordinary novel "follows in the footsteps of magical realists like Gabriel García Márquez and Salman Rushdie" (The New York Times Book Review). "A novelist of dazzling ingenuity." —San Francisco Chronicle "A Scheherezade effortlessly spinning tales within tales, the possessor of a strong narrative voice quite like no other." —Newsday "Ghosh's writing soars, producing electric images." —The Baltimore Sun "A wonderful mix of magic and horror, wit and curiosity . . . Ghosh has really woven a fresh world for us to visit." —Providence Sunday Journal

Enchanted by Narnia's fantastic world as a child, prominent critic Laura Miller returns to the series as an adult to uncover the source of these small books' mysterious power by looking at their creator, Clive Staples Lewis. What she discovers is not the familiar, idealized image of the author, but a more interesting and ambiguous truth: Lewis's tragic and troubled childhood, his unconventional love life,

and his intense but ultimately doomed friendship with J.R.R. Tolkien. Finally reclaiming Narnia "for the rest of us," Miller casts the Chronicles as a profoundly literary creation, and the portal to a lifelong adventure in books, art, and the imagination.
