The StrengthsQuest Activity Workbook contains many activities to help students gain awareness and knowledge around Strengths as well as how to apply Strengths both inside and outside the classroom. Below are some Strengths activities to use in small group settings. When considering activities, we recommend that:

Small Group Strengths Activities - Be Better

StrengthsQuest was developed by the Gallup Organization as a student development and is based on the belief that people are more successful when they focus on improving their strengths as opposed to trying to “ fix ” their weaknesses! It is a powerful tool for anyone looking to determine the strengths of team members, coworkers, etc.
