Nuclear holocaust destroys America, and an ex-soldier must rescue his family, lead a resistance, and rebuild the country—from a USA Today—bestselling author. The worst—case scenario has come to pass: a nuclear strike has crippled America. Gangs, looters, and vandals have seized the streets. The decent few can only pray for a leader to protect them. Luckily, one of the survivors is Ben Raines. Rebel mercenary, retired soldier, and tireless patriot, Raines is searching for his missing family in the aftermath of this devastating war. His relentless pursuit through the ruined cities of the west unites him with the civilians of the Resistance forces. They become his recruits for a revolutionary army dedicated to rebuilding America. Then comes the final outrage: an armed attack by government forces. With the fate of America's New Patriots hanging in the balance, Raines vows—government be damned—to survive, find his family, and lead this once great nation out of the ashes. First in the long—running series!

An electromagnetic pulse flashes across the sky, destroying every electronic device, wiping out every computerized system, and killing billions. When it happens, Alex was hiking in the woods to say good-bye to her dead parents and her personal demons. Now desperate to find out what happened after the pulse crushes her to the ground, Alex meets up with Tom—a young soldier—and Ellie, a girl whose grandfather was killed by the EMP. For this improvised family and the others who are spared, it's now a question of who can be trusted and who is no longer human. Author Ilsa J. Bick crafts a terrifying and thrilling novel about a world that could be ours at any moment, where those left standing must learn what it means not just to survive, but to live amidst the devastation.

Drawn into an alien conflict when his ship is taken over and pitted against a dangerous ancient enemy, Colin MacIntyre takes on the task of defeating a group of immortals who have been secretly ruling the Earth.

BOOK ONE IN THE NEW YORK TIMES BESTSELLING SERIES Instant New York Times bestseller From #1 New York Times bestselling author Sabaa Tahir Amazon's Best Young Adult Book of 2015 People's Choice Award winner - Favorite Fantasy Bustle's Best Young Adult Book of 2015 "This novel is a harrowing, haunting reminder of what it means to be human -- and how hope might be kindled in the midst of oppression and fear." -- The Washington Post "An Ember in the Ashes could launch Sabaa Tahir into JK Rowling territory...It has the addictive quality of The Hunger Games combined with the fantasy of Harry Potter and the brutality of Game of Thrones."--Public Radio International "An Ember in the Ashes glows, burns, and smolders--as beautiful and radiant as it is searing."--Huffington Post "A worthy novel - and one as brave as its characters." --The New York Times Book Review Laia is a slave. Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier--and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined--and that their choices will change the fate of the Empire itself.

Aside from her dad, who passed away when she was six, Cassidy Jameson has only ever trusted one man: her best friend, Tyler. So of course she follows him to Texas when he leaves for college. She just didn't expect to be so drawn to their new roommate, Gage, a gorgeous guy with a husky Southern drawl. The only problem? He's Tyler's cousin. Gage Carson was excited to share an apartment off campus with his cousin. He didn't mind that Tyler was bringing the mysterious friend he'd heard about since they were kids . . . until the most beautiful girl he's ever seen jumps out of his cousin's Jeep. There's something about Cassi that makes Gage want to give her everything. Too bad Tyler has warned him that she's strictly off-limits. Despite everything keeping them apart, Cassi and Gage dance dangerously close to the touch they've both been craving. But when disaster sends her running into Tyler's arms, Cassi will have to decide whether to face the demons of her past . . . or to burn her chance at a future with Gage.

A thrilling tale of adventure, romance, and one girl's unyielding courage through the darkest of nightmares. Epidemics, floods, droughts--for sixteen-year-old Lucy, the end of the world came and went, taking 99% of the population with it. As the weather continues to rage out of control, and Sweepers clean the streets of plague victims, Lucy survives alone in the wilds of Central Park. But when she's rescued from a pack of hunting dogs by a mysterious boy named Aidan, she reluctantly realizes she can't continue on her own. She joins his band of survivors, yet a new danger awaits her: the Sweepers are looking for her. There's something special about Lucy, and they will stop at nothing to have her.

This #1 internationally bestselling and award-winning memoir about overcoming trauma, prejudice, and addiction by a Métis-Cree author as he struggles to find a way back to himself and his Indigenous culture is "an illuminating, inside account of homelessness, a study of survival and freedom" (Amanda Lindhout, bestselling coauthor of *A House in the Sky*). Abandoned by his parents as a toddler, Jesse Thistle and his two brothers were cut off from all they knew when they were placed in the foster care system. Eventually placed with their paternal grandparents, the children often clashed with their tough-love attitude. Worse, the ghost of Jesse's drug-addicted father seemed to haunt the memories of every member of the family. Soon, Jesse succumbed to a self-destructive cycle of drug and alcohol addiction and petty crime, resulting in more than a decade living on and off the streets. Facing struggles many of us cannot even imagine, Jesse knew he would die unless he turned his life around. Through sheer perseverance and newfound love, he managed to find his way back into the loving embrace of his Indigenous culture and family. Now, in this heart-wrenching and triumphant memoir, Jesse Thistle honestly and fearlessly divulges his painful past, the abuse he endured, and the tragic truth about his parents. An eloquent exploration of the dangerous impact of prejudice and racism, *From the Ashes* is ultimately a celebration of love and "a story of courage and resilience certain to strike a chord with readers from many backgrounds" (Library Journal).

stop there. Only this time there is a witness. But she isn't talking. Enter Kate Conlan, former FBI agent turned victim/witness advocate. Not even she can tell if the reluctant witness is a potential victim or something more troubling still. Her superiors are interested only because the latest victim may be the daughter of Peter Bondurant, an enigmatic billionaire. When Peter pulls strings, Special Agent John Quinn gets assigned to the case. But the FBI's ace profiler of serial killers is the last person Kate wants to work with, not with their troubled history. Now she faces the most difficult role of her career—and her life. For she's the only woman who has what it takes to stop the killer . . . and the one woman he wants next. "You'll want to lock the doors while you're reading."—Minneapolis Star Tribune "An up-all-night read."—The Detroit News
