The City of Ember transports the reader to the titular city, Ember—which, unbeknownst to its residents, exists underground. The city, which has existed for over 200 years, is in crisis: power outages are becoming more frequent, while stores of food and supplies, especially light bulbs, are running low.

In the city of Ember, the sky was always dark. The only light came from great flood lamps mounted on the buildings and at the tops of poles in the middle of the larger squares. When the lights were on, they cast a yellowish glow over the streets; people walking by threw long shadows that shortened and then stretched out again.
