oversleeping and getting to class late . . . Worst of all, his big sister Christina is getting ready to graduate from Jedi Academy, and there are rumors going around that she's a Sith! What's a Padawan to do? In times when he feels more alone than ever, Victor will have to trust the ways of the Force and his friends if he's going to survive year two in this all-new chapter in the Jedi Academy series.

Victor Starspeeder is psyched to be starting school at the Jedi Academy. His sister, Christina does not share an enthusiasm for Victor's newfound educational path. She's horrified that her annoying baby brother will be there to cramp her style. While Victor means well, his excess energy leads him to spend a lot of time in detention with the little, green sage, Yoda. Yoda wants to channel Victor's talents, so he makes the young Padawan join the drama club. Victor is not pleased. "Learn to control your anger, you must! Successfully manage their emotions, a good Jedi can. Box step and jazz hands ... hee hee ... young Padawan will!" Victor will have to make new friends, get on his sister's good side, learn to use the force, and hope the year's drama club performance ("Wookie Side Story"? "Annie Get Your Lightsaber"?) goes off without a hitch!

It's hard to believe this is Roan's last year at Jedi Academy. He's been busier than ever learning to fly (and wash) starships, swimming in the Lake Country on Naboo, studying for the Jedi obstacle course exam, and tracking down dozens of vorpak clones--don't ask. But now, someone is setting him up to get in trouble with everyone at school, including Yoda. If he doesn't find out who it is, and fast, he may get kicked out of school! Why can't middle school just be easy.

The Christina Starspeeder saga continues in this laugh-out-loud epic from author Amy Ignatow and illustrator Jarrett Krosoczka on this New York Times bestselling series, Star Wars: Jedi Academy!
