V70

The Volvo V70 is an executive car manufactured and marketed by Volvo Cars from 1996 to 2016 across three generations. The name V70 combines the letter V, standing for versatility, and 70, denoting relative platform size (i.e., a V70 is larger than a V40, but smaller than a V90). The first generation (1996–2000) debuted in November 1996.

Volvo V70 - Wikipedia

The Volvo V70 is a wagon.

2008 Volvo V70 3.2 - Car and Driver

The third-generation V70 is still being produced, but the V70 name is no longer used in the US. While the model has been awarded multiple times since it has been produced, owners or future owners may find the following as drawbacks:

Powertrain. One of the major complaints about the V70 is the powertrain performance.
